ALONE

I hear the ticking of the clock
I'm lying here the room's pitch dark
I wonder where you are tonight
No answer on the telephone
And the night goes by so very slow
Oh I hope that it won't end though
Alone

You don't know how long I have wanted
To touch your lips and hold you tight
You don't know how long I have waited
And I was going to tell you tonight
But the secret is still my own
And my love for you is still unknown
Alone

Till now I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

Aaaahh!
'Till now I always got by on my own
I never really cared until I met you
And now it chills me to the bone
How do I get you alone
How do I get you alone

(instrumental break)

How do I get you alone
How do I get you alone

Alone... alone...

GOOD AS HELL

I do my hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)
Hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)

Woo, child, tired of the foolish
Go on, dust your shoulders off, keep it moving
Yes, Lord, step into some new kicks
In there, swimwear, going-to-the-pool quick
Come now, come dry your eyes
You know you a star, you can touch the sky
I know that it's hard, but you have to try
If you need advice, let me simplify

If he don't love you anymore
Just walk your fine self out the door

I do my hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)
Hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)
(Feeling good as hell)
Baby, how you feelin'? (Feelin' good as hell)

Woo, girl, need to kick off your shoes
Gotta take a deep breath, time to focus on you
All the big fights, long nights that you been through
I got a bottle of tequila I been saving for you
Boss up and change your life
You can have it all, no sacrifice
I know he did you wrong, we can make it right
So go and let it all hang out tonight

'Cause he don't love you anymore
So walk your fine self out the door
And do your hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)
Hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)
Hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)

If he don't love you anymore
Just walk your fine self out the door....!
And do your hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)
Hair toss, check my nails
Baby, how you feelin'? (Feelin' good as hell)
(Feeling good as hell)
Baby, how you feelin'? (Feelin' good as hell)

HOLD ON

I know there's pain (I know there's pain)
Why do you lock yourself up in these chains? (These chains)
No one can change your life except for you
Don't ever let anyone step all over you
Just open your heart and your mind (Mmm)
Is it really fair to feel, this way inside? (Woah)

I know that there is pain, but you
Hold On for one more day, and ya
Break free from the chains
Yeah I know that there is pain, but you
Hold On for one more day, and ya
Break free, break from the chains

CHORUS:

Some day somebody's gonna make you want to turn around and say goodbye
Until then, baby, are you going to let 'em hold you down and make you cry?
Don't you know? Don't you know, things can change
Things'll go your way
If you Hold On for one more day
Can you Hold On for one more day?
Things'll go your way
Hold On for one more day

Some day somebody's gonna make you want to turn around and say goodbye (and say goodbye)

Until then, baby, are you going to let 'em hold you down and make you cry?

Don't you know? Don't you know, things can change (Know)

Things'll go your way

If you Hold On for one more day, yeah

If you Hold On

Don't you know, things could change

Things could go your way

If you Hold On for one more day

Can you Hold On

Can you Hold On

Mmm, can you Hold On, baby

Won't you tell me now

Hold On for one more day, 'cause

It's gonna go your way

Don't you know, things could change

Things could go your way

If you Hold On for one more day, yeah

Can't you change it this time

Make up your mind

Hold On, Hold On

Baby Hold On

You could sustain (You could sustain)

Hm, or are you comfortable with the pain?

You've got no one to blame for your unhappiness (No, baby)

You got yourself into your own mess (Ooh)

Lettin' your worries pass you by (Lettin' your worries pass you by)

Baby, don't you think it's worth your time

To change your mind? (No, no)

[CHORUS]

I STILL HAVEN'T FOUND WHAT I'M LOOKING FOR

I have climbed highest mountains

I have spoke with the tongue of angels

I have run through the fields

I have held the hand of a devil

Only to be with you

It was warm in the night

Only to be with you

I was cold as a stone

I have run

But I still haven't found what I'm looking for

I have crawled

But I still haven't found what I'm looking for

I have scaled these city walls

I believe in the kingdom come

These city walls

Then all the colors will bleed into one

Only to be with you

Bleed into one

But I still haven't found what I'm looking for

But yes I'm still running

But I still haven't found what I'm looking for

You broke the bonds

I have kissed honey lips

And you loosed the chains

Felt the healing in her fingertips

Carried the cross

It burned like fire

Of my shame

This burning desire

Oh my shame

You know I believe it

But I still haven't found what I'm looking for (x4)

IRONIC

An old man turned 98

He won the lottery and died the next day

It's a black fly in your Chardonnay

It's a death row pardon two minutes too late

And isn't it ironic, don't you think?

It's like rain on your wedding day

It's a free ride when you've already paid

It's the good advice that you just didn't take

And who would've thought, it figures

Mr. Play It Safe was afraid to fly

He packed his suitcase and kissed his kids goodbye

He waited his whole damn life to take that flight

And as the plane crashed down, he thought

"Well, isn't this nice?"

And isn't it ironic, don't you think?

A traffic jam when you're already late

A no-smoking sign on your cigarette break

It's like ten thousand spoons when all you need is a knife

It's meeting the man of my dreams

And then meeting his beautiful wife

And isn't it ironic, don't you think?

A little too ironic

And, yeah, I really do think

It's like rain on your wedding day

It's a free ride when you've already paid

It's the good advice that you just didn't take

And who would've thought, it figures

And, yeah, life has a funny way of sneaking up on you

Life has a funny, funny way of helping you out

Helping you out

It's like rain on your wedding day

It's a free ride when you've already paid

It's the good advice that you just didn't take

And who would've thought, it figures

Well, life has a funny way of sneaking up on you

When you think everything's okay and everything's going right

And life has a funny way of helping you out

When you think everything's gone wrong and everything blows up

In your face

IT MUST HAVE BEEN LOVE

It must have been love

But it's over now

Lay a whisper on my pillow

Leave the winter on the ground

I wake up lonely

There's air of silence

In the bedroom

And all around

Touch me now

I close my eyes

And dream away

And it's a hard

Winter's day

I dream away

It must have been love

But it's over now

It was all that I wanted

Now, I'm living without

It must have been love

But it's over now

It's where the water flows

It's where the wind blows

[musical break]

It must have been love

But it's over now

It must have been good

But I lost it somehow

It must have been love

But it's over now

From the moment we touched

Till the time had run out

It must have been love

But it's over now

It must have been good

But I lost it somehow

It must have been love

But it's over now

From the moment we touched

Till the time had run out

Yeah, it must have been love

But it's over now

It was all that I wanted

Now, I'm living without

It must have been love

But it's over now

It's where the water flows

It's where the wind blows

Make believing we're together

That I'm sheltered by your heart

But in and outside

I turned to water

Like a teardrop

In your palm

SINCE U BEEN GONE

Here's the thing

We started out friends

It was cool, but it was all pretend

Yeah, yeah

Since you been gone

But since you been gone

I can breathe for the first time

I'm so moving on, yeah, yeah

Thanks to you

Now I get what I want

Since you been gone

You're dedicated, you took the time

Wasn't long 'til I called you mine

Yeah, yeah

Since you been gone

You had your chance, you blew it

Out of sight, out of mind

Shut your mouth, I just can't take it

Again, and again, and again, and again

And all you'd ever hear me say

Is how I picture me with you

That's all you'd ever hear me say

Since you been gone (Since you been gone)

I can breathe for the first time

I'm so moving on, yeah, yeah

Thanks to you (Thanks to you)

Now I get, I get what I want

I can breathe for the first time

I'm so moving on, yeah, yeah

Thanks to you (Thanks to you)

Now I get (I get)

You should know (You should know)

That I get

I get what I want

Since you been gone

Since you been gone

Since you been gone

How can I put it? You put me on

I even fell for that stupid love song

Yeah, yeah

Since you been gone

How come I'd never hear you say

I just wanna be with you?

Guess you never felt that way

STAY

You say I think that I'm throwing
I only hear what I want to But I'm thrown
And you say And I thought I'd live forever
I talk so all the time, so But now I'm not so sure

And I thought what I felt was simple You try to tell me that I'm clever
And I thought that I don't belong But that won't take me anyhow
And now that I am leaving Or anywhere,
Now I know that I did something wrong With you

'Cause I missed you And you said that I was naive
Yeah I missed you And I thought that I was strong

And you say I thought, "hey, I can leave, I can leave"
I only hear what I want to Oh but now I know that I was wrong
I don't listen hard 'Cause I missed you
I don't pay attention Yeah, I missed you

To the distance You said, "you caught me cause you want me
That you're running or to And one day I'll let you go"
Anyone anywhere You try to give away a keeper
I don't understand if you really care Or keep me 'cause you know you're just so
I'm only hearing negative, no no no, bad Scared to lose

So I, I turned the radio on, And you say,
I turned the radio up "Stay"
And this woman was singing my song You say
Lovers in love and the other's run away I only hear what I want to
Lover is crying 'cause the other won't stay
And some of us hover when we weep
For the other who was dying
Since the day they were born, well
Well, this is not that

WE BELONG

Many times I tried to tell you

Many times I cried alone

Always I'm surprised how well you cut my feelings to the bone

Don't want to leave you really

I've invested too much time to give you up that easy

To the doubts that complicate your mind

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

Maybe it's a sign of weakness when I don't know what to say

Maybe I just wouldn't know what to do with my strength anyway

Have we become a habit? Do we distort the facts?

Now there's no looking forward

Now there's no turning back

When you say

Close your eyes and try to sleep now

Close your eyes and try to dream

Clear your mind and do your best to try and wash the palette clean

We can't begin to know it, how much we really care

I hear your voice inside me, I see your face everywhere

Still you say

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

(repeat and fade)

We belong to the light, we belong to the thunder

We belong to the sound of the words we've both fallen under

Whatever we deny or embrace for worse or for better

We belong, we belong, we belong together

WOULDN'T IT BE NICE

Wouldn't it be nice if we were older?

Then we wouldn't have to wait so long

And wouldn't it be nice to live together

In the kind of world where we belong?

You know it's gonna make it that much better

When we can say goodnight and stay together

Wouldn't it be nice if we could wake up

In the morning when the day is new?

And after having spent the day together

Hold each other close the whole night through

Happy times together we've been spending

I wish that every kiss was never ending

Oh, wouldn't it be nice?

Maybe if we think and wish and hope and pray

It might come true

Baby, then there wouldn't be a single thing we couldn't do

Oh, we could be married (oh, we could be married)

And then we'd be happy (and then we'd be happy)

Oh, wouldn't it be nice?

You know it seems the more we talk about it

It only makes it worse to live without it

But let's talk about it

Oh, wouldn't it be nice?

Goodnight, my baby

Sleep tight, my baby

Goodnight, my baby

Sleep tight, my baby

YOU'RE WELCOME

Ok, ok, I see what's happening here
You're face to face with greatness, and it's strange
You don't even know how you feel- It's adorable!
Well, it's nice to see that humans never change
Open your eyes, let's begin
Yes, it's really me, it's Maui
Breathe it in
I know it's a lot
The hair, the bod
When you're staring at a demi-god

What can I say except, "You're welcome"
For the tides, the sun, the sky
Hey, it's okay, it's okay
You're welcome
I'm just an ordinary demi-guy

Hey, what has two thumbs and pulled up the sky
When you were waddling yea high?
This guy!
When the nights got cold
Who stole you fire from down below?
You're lookin' at him, yo!
Oh, also I lassoed the sun- You're welcome
To stretch your days and bring you fun
Also I harnessed the breeze- You're welcome
To fill your sails and shake your trees

So what can I say except you're welcome
For the islands I pulled from the sea
There's no need to pray, it's okay
You're welcome
Ha, I guess it's just my way of being me

You're welcome
You're welcome
Well, come to think of it
Kid, honestly I could go on and on
I could explain every natural phenomenon
The tide, the grass, the ground
Oh, that was Maui just messing around
I killed an eel, I buried its guts
Sprouted a tree, now you got coconuts
What's the lesson, what is the take-away?
Don't mess with Maui when he's on a break-away
And the tapestry here on my skin
Is a map of the victories I win
Look where I've been
I make everything happen
Look at that mean mini-Maui just tickety-tappin'
(Ha ha ha ha ha, hey)

Well, anyway let me say, "You're welcome" (you're welcome)
For the wonderful world you know
Hey, it's okay, it's okay, you're welcome (you're welcome)
Well, come to think of it, I gotta go (hey)
Hey, it's your day to say, "You're welcome" (you're welcome)
'Cause I'm gonna need that boat
I'm sailing away, away, you're welcome (you're welcome)
'Cause Maui can do anything but float
You're welcome
(You're welcome)
You're welcome
And thank you
