Africa

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in, 12:30 flight
The moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies
He turned to me as if to say, "Hurry boy, it's waiting there for you"

CHORUS:

It's gonna take a lot to take me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had

The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become

(CHORUS)

(Instrumental)

Hurry boy, she's waiting there for you

(CHORUS)

Angel From Montgomery

I am an old woman named after my mother
My old man is another child that's grown old
If dreams were thunder and lightning was desire
This old house would have burnt down a long time ago

Chorus:

Make me an angel that flies from Montgom'ry
Make me a poster of an old rodeo
Just give me one thing that I can hold on to
To believe in this living is just a hard way to go

When I was a young girl, I had me a cowboy
He weren't much to look at, just free rambling man
But that was a long time and no matter how I try
The years just flow by like a broken down dam

(Chorus)

There's flies in the kitchen I can hear 'em there buzzing
And I ain't done nothing since I woke up today.
How the hell can a person go to work in the morning
And come home in the evening and have nothing to say.

(Chorus)

Back in the U.S.S.R.

Oh, flew in from Miami Beach B.O.A.C.
Didn't get to bed last night
On the way the paper bag was on my knee
Man I had a dreadful flight
I'm back in the U.S.S.R.
You don't know how lucky you are boy
Back in the U.S.S.R.

Been away so long I hardly knew the place
Gee it's good to be back home
Leave it till tomorrow to unpack my case
Honey disconnect the phone
I'm back in the U.S.S.R.
You don't know how lucky you are boy
Back in the U.S.
Back in the U.S.
Back in the U.S.S.R.

Well the Ukraine girls really knock me out
They leave the West behind
And Moscow girls make me sing and shout
And Georgia's always on my mind
Aw come on! [SOLO]

Yeah I'm back in the U.S.S.R.
You don't know how lucky you are boys
Back in the U.S.S.R.

Well the Ukraine girls really knock me out
They leave the West behind
And Moscow girls make me sing and shout
And Georgia's always on my mind

Oh, show me around your snow-peaked
mountains way down south
Take me to your daddy's farm
Let me hear your balalaika's ringing out
Come and keep your comrade warm
I'm back in the U.S.S.R.
You don't know how lucky you are boys
Back in the U.S.S.R.

Brand New Key

I rode my bicycle past your window last night
I roller skated to your door at daylight
It almost seems like you're avoiding me
I'm okay alone but you've got something I need

Well, I've got a brand new pair of roller skates
You've got a brand new key
I think that we should get together
And try them on to see
I've been looking around awhile
You've got something for me
Oh I've got a brand new pair of roller skates
You've got a brand new key

I ride my bike I rollerskate don't drive no car
Don't go too fast but I go pretty far
For somebody who don't drive
I've been all around the world
Some people say I've done alright for a girl
Oh, yeah yeah

I asked your mother if you were at home
She said yes, but you weren't alone
Sometimes I think that you're avoiding me
I'm okay alone but you've got something I need

Well I've got a brand new pair of roller skates
You've got a brand new key
I think that we should get together
And try them on to see
La la la la la la la la
La la la la la la
Oh I've got a brand new pair of roller skates
You've got a brand new key

Closer to Fine

I'm tryin' to tell you somethin' 'bout my life
Maybe give me insight between black and white
And the best thing you've ever done for me
Is to help me take my life less seriously
It's only life after all, yeah
Well darkness has a hunger that's insatiable
And lightness has a call that's hard to hear
I wrap my fear around me like a blanket
I sailed my ship of safety 'til I sank it
I'm crawling on your shores

CHORUS:

I went to the doctor, I went to the mountains
I looked to the children, I drank from the
fountains
There's more than one answer to these
questions
Pointing me in a crooked line
And the less I seek my source for some
definitive
The closer I am to fine
The closer I am to fine

I went to see the doctor of philosophy
With a poster of Rasputin and a beard down to
his knee
He never did marry or see a B-Grade movie
He graded my performance, he said he could
see through me
I spent four years prostrate to the higher mind
Got my paper and I was free

(CHORUS)

I stopped by the bar at three A.M.
To seek solace in a bottle, or possibly a friend
And I woke up with a headache like my head
against a board
Twice as cloudy as I'd been the night before
And I went in seeking clarity

(CHORUS)

Yeah, we go to the Bible, we go through the
work out
We read up on revival, we stand up for the
lookout
There's more than one answer to these
questions
Pointing me in a crooked line
And the less I seek my source for some
definitive
The closer I am to fine
The closer I am to fine
The closer I am to fine

Dancing Queen

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Diggin' the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing
You come to look for a king
Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

CHORUS:

You are the dancing queen, young and sweet
Only seventeen
Dancing queen, feel the beat from the tambourine, oh yeah
You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Diggin' the dancing queen

You're a teaser, you turn 'em on
Leave 'em burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance

(Chorus)

Don't Go Breaking My Heart

Don't go breaking my heart

I couldn't if I tried

Honey if I get restless

Baby you're not that kind

Don't go breaking my heart

You take the weight off me

Honey when you knock on my door

I gave you my key

Woo-hoo

Nobody knows it

When I was down

I was your clown

Woo-hoo

Nobody knows it (nobody knows it)

Right from the start

I gave you my heart

Woah-oh, I gave you my heart

So don't go breaking my heart

I won't go breaking your heart

Don't go breaking my heart

And nobody told us

'Cause nobody showed us

And now it's up to us babe

I think we can make it

So don't misunderstand me

You put the light in my life

You put the sparks to the flame

I've got your heart in my sights

Woo-hoo

Nobody knows it

When I was down

I was your clown

Woo-hoo

Nobody knows it (nobody knows it)

Right from the start

I gave you my heart

Woah-oh, I gave you my heart

Don't go breaking my heart

I won't go breaking your heart

Don't go breaking my heart

Woo-hoo

Nobody knows it

When I was down

I was your clown

Right from the start

I gave you my heart

Woah-oh, I gave you my heart

Don't go breaking my heart

I won't go breaking your heart

Don't go breaking my

Don't go breaking my

Don't go breaking my heart

Don't go breaking my

Don't go breaking my

I won't go breaking your heart

Don't go breaking my heart

Dreams

Oh my life is changing everyday
In every possible way
And oh my dreams
It's never quite as it seems
Never quite as it seems

I know I felt like this before
But now I'm feeling it even more
Because it came from you
Then I open up and see
The person falling here is me
A different way to be

I want more, impossible to ignore
Impossible to ignore
And they'll come true

Impossible not to do
Impossible not to do

And now I tell you openly
You have my heart so don't hurt me
You're what I couldn't find
A totally amazing mind
So understanding and so kind
You're everything to me

Oh my life is changing everyday
In every possible way
And oh my dreams
It's never quite as it seems
'Cause you're a dream to me
Dream to me

Free Fallin'

She's a good girl, loves her mama
Loves Jesus and America too
She's a good girl, who's crazy 'bout Elvis
Loves horses and her boyfriend too

And it's a long day livin' in Reseda
There's a freeway runnin' through the yard
And I'm a bad boy, cause I don't even miss her
I'm a bad boy for breakin' her heart

And I'm free
Free fallin'
Yeah, I'm free
Free fallin'

Now all the vampires walkin' through the valley
Move west down Ventura boulevard
And all the bad boys are standing in the shadows
And the good girls are home with broken hearts

Now I'm free
I'm free fallin'
Yeah, I'm free
Free fallin'

Free fallin', now I'm free fallin', now I'm
Free fallin', now I'm free fallin', now

I wanna glide down over Mulholland
I wanna write her name in the sky
I'm gonna free fall out into nothin'
Gonna leave this world for awhile

Now I'm free (Free fallin', now I'm free fallin', now I'm)
Free fallin' (Free fallin', now I'm free fallin', now I'm)
Yeah, I'm free (Free fallin', now I'm free fallin', now I'm)
Free fallin' (Free fallin', now I'm free fallin', now I'm)

(Free fallin', now I'm free fallin', now I'm)
Now I'm free
Free fallin'
Oh (Free fallin', now I'm free fallin', now I'm)
Free fallin' (Free fallin', now I'm free fallin', now I'm)
Now I'm free (Free fallin', now I'm free fallin', now I'm)
Oh, free fallin' (Free fallin', now I'm free fallin', now I'm)
(Free fallin', now I'm free fallin', now I'm) Free fallin'

Hang With Me

Will you tell me once again
How we're gonna be just friends?
If you're for real and not pretend
Then I guess you can hang with me

When my patience wearing thin
When I'm ready to give in
Will you pick me up again?
Then I guess you can hang with me

CHORUS:

And if you do me right
I'm gonna do right by you
And if you keep it tight
I'm gonna confide in you
I know what's on your mind
There will be time for that too
If you hang with me

Just don't fall
Recklessly, headlessly in love with me
'Cause it's gonna be
All heartbreak, wistfully painful and insanity
If we agree oh, ooh, woah, you can hang with
me

When you see me drift astray
Out of touch and out of place
Will you tell me to my face?
Then I guess you can hang with me

CHORUS

Will you tell me once again
How we're gonna be just friends?
If you're for real and not pretend
Then I guess you can hang with me

CHORUS X2

Hey, Good Lookin'

Hey, hey, good lookin',
Whatcha got cookin'?
How's about cookin' somethin' up with me?
Hey, sweet baby,
Don't you think maybe
We could find us a brand new recipe?

I got a hot-rod Ford and a two-dollar bill
And I know a spot right over the hill.
There's soda pop and the dancin's free,
So if you wanna have fun come along with me.

Hey, good lookin',
Whatcha got cookin'?
How's about cookin' somethin' up with me?
SOLO

I'm free and ready,
So we can go steady.
How's about savin' all your time for me?

No more lookin',
I know I've been taken.
How's about keepin' steady company?

I'm gonna throw my date-book over the fence
And find me one for five or ten cents.
I'll keep it 'til it's covered with age
'Cause I'm writin' your name down on every
page.

Hey, good lookin',
Whatcha got cookin'?
How's about cookin' somethin' up with me?

Hey Jude

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute you let her under your skin
Then you begin to make it better

And anytime you feel the pain, hey Jude,
refrain
Don't carry the world upon your shoulders
For well you know that it's a fool who plays it
cool
By making his world a little colder

Nah nah nah nah nah nah nah nah nah

Hey Jude, don't let me down
You have found her, now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in, hey Jude, begin
You're waiting for someone to perform with
And don't you know that it's just you, hey Jude,
you'll do
The movement you need is on your shoulder

Nah nah nah nah nah nah nah nah nah yeah

Hey Jude, don't make it bad
Take a sad song and make it better
Remember to let her under your skin
Then you'll begin to make it
Better better better better better better, oh
Nah nah nah nah nah nah, nah nah nah, hey
Jude (Repeat...)

I Want It That Way

You are my fire, the one desire
Believe when I say- I want it that way
But we are two worlds apart
Can't reach to your heart
When you say that I want it that way

CHORUS:

Tell me why
Ain't nothin' but a heartache
Tell me why
Ain't nothin' but a mistake
Tell me why
I never want to hear you say
I want it that way

Am I, your fire?
Your one, desire
Yes I know, it's too late
But I want it that way

CHORUS*

Now I can see that we've fallen apart
From the way that it used to be, yeah
No matter the distance
I want you to know

That deep down inside of me

You are my fire, the one desire
You are (you are, you are, you are)
Don't want to hear you say

Ain't nothin' but a heartache

Ain't nothin' but a mistake
(Don't want to hear you say)

I never want to hear you say

I want it that way

Tell me why

Ain't nothin' but a heartache

Tell me why

Ain't nothin' but a mistake

Tell me why

I never want to hear you say

I want it that way

Tell me why----

Ain't nothin' but a heartache

Ain't nothin' but a mistake

Tell me why

I never want to hear you say

(Never want to hear you say it)

I want it that way

'Cause I want it that way

I'll Be There

You and I must make a pact
We must bring salvation back,
Where there is love, I'll be there. (I'll be there)
I'll reach out my hand to you
I'll have faith in all you do.
Just call my name and I'll be there. (I'll be there)

I'll be there to comfort you,
Build my world of dreams around you,
I'm so glad that I found you.
I'll be there with a love so strong,
I'll be your strength,
You know I'll keep holdin' on.

Let me fill your heart with joy and laughter,
Togetherness, well it's all I'm after,
Whenever you need me, and I'll be there. (I'll be there)
I'll be there to protect you, (Yeah baby)
With an unselfish love that respects you.
Just call my name, and I'll be there. (I'll be there)

I'll be there to comfort you,
Build my world of dreams around you,
You know I'm so glad that I found you baby.
(So glad baby)
I'll be there with a love so strong,
I'll be your strength, (Be your strength)
You know I'll keep holdin' on.

If you should ever find someone new
I know he better be good to you
'Cause if he doesn't
Then I'll be there (I'll be there)
Don't you know baby, yeah I'll be there
I'll be there
Just call my name, and I'll be there
Yeah, I'll be there baby
You know I'll be there
Just call my name and I'll be there
Just look over your shoulder!
Just call my name and I'll be there

I'm A Believer

I thought love was only true in fairy tales
Meant for someone else but not for me
Love was out to get me
That's the way it seemed
Disappointment haunted all of my dreams

Then I saw her face, now I'm a believer
Not a trace, of doubt in my mind
I'm in love, and I'm a believer
I couldn't leave her if I tried

I thought love was more or less a given thing
It seems the more I gave, the less I got
What's the use in tryin'
All you get is pain
When I wanted sunshine I got rain
Then I saw her face, now I'm a believer
Not a trace, of doubt in my mind

I'm in love, I'm a believer
I couldn't leave her if I tried

What's the use of trying
All you get is pain
When I wanted sunshine I got rain
Then I saw her face, now I'm a believer
Not a trace, of doubt in my mind
I'm in love, I'm a believer
I couldn't leave her if I tried

Then I saw her face, now I'm a believer
Not a trace, of doubt in my mind
Now I'm a believer, yeah, yeah, yeah, yeah,
yeah
Now I'm a believer
Then I saw her face
Now I'm a believer
Not a trace, of doubt in my mind

Karma Police

Karma police

Arrest this man

He talks in maths

He buzzes like a fridge

He's like a detuned radio

Karma police

Arrest this girl

Her Hitler hairdo

Is making me feel ill

And we have crashed her party

This is what you'll get

This is what you'll get

This is what you'll get

When you mess with us

Karma police

I've given all I can

It's not enough

I've given all I can

But we're still on the payroll

This is what you'll get

This is what you'll get

This is what you'll get

When you mess with us

For a minute there

I lost myself, I lost myself

Phew, for a minute there

I lost myself, I lost myself

For a minute there

I lost myself, I lost myself

Phew, for a minute there

I lost myself, I lost myself

Lean On Me

Sometimes in our lives we all have pain

We all have sorrow

But if we are wise

We know that there's always tomorrow

Lean on me, when you're not strong

And I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean on

Please swallow your pride

If I have things you need to borrow

For no one can fill those of your needs

That you won't let show

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem that you'll understand

We all need somebody to lean on

Lean on me, when you're not strong

And I'll be your friend

I'll help you carry on

For it won't be long

'Til I'm gonna need

Somebody to lean on

You just call on me brother, when you need a hand

We all need somebody to lean on

I just might have a problem that you'll understand

We all need somebody to lean on

If there is a load you have to bear

That you can't carry

I'm right up the road

I'll share your load

If you just call me (call me)

If you need a friend (call me) call me uh

huh(call me) if you need a friend (call me)

If you ever need a friend (call me)

Let It Go

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen
The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I've tried
Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know
Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door
I don't care what they're going to say
Let the storm rage on
The cold never bothered me anyway
It's funny how some distance makes everything
seem small
And the fears that once controlled me can't get to
me at all
It's time to see what I can do

To test the limits and break through
No right, no wrong, no rules for me
I'm free
Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry
Here I stand and here I stay
Let the storm rage on
My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back, the past is in the past
Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone
Here I stand in the light of day
Let the storm rage on
The cold never bothered me anyway

(You Make Me Feel Like) A Natural Woman

Looking out on the morning rain

I used to feel so uninspired

And when I knew I had to face another day

Lord, it made me feel so tired

Before the day I met you, life was so unkind

But your the key to my peace of mind

'Cause you make me feel

You make me feel

You make me feel like

A natural woman (woman)

When my soul was in the lost and found

You came along to claim it

I didn't know just what was wrong with me

Till your kiss helped me name it

Now I'm no longer doubtful, of what I'm living
for

And if I make you happy I don't need to do
more

'Cause you make me feel

You make me feel

You make me feel like

A natural woman (woman)

Oh, baby, what you've done to me (what you've
done to me)

You make me feel so good inside (good
inside)

And I just want to be, (want to be) close to you

You make me feel so alive

You make me feel

You make me feel

You make me feel like

A natural woman (woman)

No Rain

All I can say is that my life is pretty plain
I like watchin' the puddles gather rain
And all I can do is just pour some tea for two
And speak my point of view but it's not sane
It's not sane

I just want someone to say to me, oh
I'll always be there when you wake, yeah
You know I'd like to keep my cheeks dry today
So stay with me and I'll have it made
And I don't understand why sleep all day
And I start to complain that there's no rain
And all I can do is read a book to stay awake
And it rips my life away but it's a great escape
Escape, escape, escape

All I can say is that my life is pretty plain
You don't like my point of view, you think that I'm insane
It's not sane, it's not sane

I just want someone to say to me, oh
I'll always be there when you wake, yeah
You know I'd like to keep my cheeks dry today
So stay with me and I'll have it made, I'll have it made, I'll have it made
Oh, no, no, you know, I really wanna, really gonna have it made
You know, I'll have it made

Peace Begins with Uke

Sometimes when I wake up
in the city of lakes
I wonder what difference
Music makes

A chord, a simple strum
A beat or two
Makes my heart sing and dance
Gives me courage too

***Wouldn't the world be a better place
if all our weapons were ukuleles
Wouldn't the world be a better place
If all the nukes were replaced by ukes***

**Peace begins with U
Peace begins with ukuleles
Peace begins with U
Peace begins with ukuleles**

Sometimes when I wake up
Feeling depressed
I wonder how we
created this mess

The planet spins with hatred
while the mountains melt
The people cry for freedom
In this moral drought

(Repeat Bridge and Chorus)

Sometimes when I wake up
I wonder who else cares
To pick up their weapons
Start strumming a dare

We fight for justice
For peace, for what's right
Playing just four strings
Igniting the light

Purple Rain

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted to one time to see you laughing
I only wanted to see you
Laughing in the purple rain

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain
I only wanted to see you
Bathing in the purple rain

I never wanted to be your weekend lover
I only wanted to be some kind of friend
Baby, I could never steal you from another
It's such a shame our friendship had to end

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain

I only wanted to see you
Underneath the purple rain

Honey, I know, I know
I know times are changing
It's time we all reach out
For something new, that means you too
You say you want a leader
But you can't seem to make up your mind
I think you better close it
And let me guide you to the purple rain

Purple rain, purple rain
Purple rain, purple rain
Purple rain, purple rain
I only want to see you
Only want to see you
In the purple rain

Rainbow Connection

Why are there so many
Songs about rainbows
And what's on the other side
Rainbows are visions
They're only illusions
And rainbows have nothing to hide

So we've been told and some chose to believe
it
But I know they're wrong wait and see
Someday we'll find it
The Rainbow Connection
The lovers, the dreamers and me

Who said that every wish
Would be heard and answered
When wished on the morning star
Somebody thought of that
And someone believed it
And look what it's done so far

What's so amazing
That keeps us stargazing
What so we think we might see
Someday we'll find it
That Rainbow Connection
The lovers the dreamers and me

Have you been fast asleep
And have you heard voices,
I've heard them calling my name,
Is this the sweet sound that calls
The young sailors,
The voice might be one and the same.

I've heard it too many times to ignore it
It's something that I'm supposed to be,
Someday we'll find it
The Rainbow Connection...
The lovers, the dreamers and me
La lala la lala la la la lala la la la

Reaper

Broke down, thought that I would drown
Hope that I've been found, 'fore I hit the ground
Saw you out the corner of my eye, oh
Saw you weeping, saw you creeping
Saw you sneaking in the shadow's long
The fear so strong
Saw you out the corner of my eye

CHORUS:

Don't come for me today
I'm feeling good
Let me savor it
Don't come for me today
I'm feeling good
I remember when
(Reaper)
You came to take me away
So close I was to heaven's gates

But no baby, no baby, not today
Oh, you tried to track me down
You followed me like the darkest cloud
But no baby, no baby, not today
(Reaper) oh reaper
(Reaper) oh no baby, no baby, not today
(Reaper) oh reaper
(Reaper) oh no baby, no baby, not today

So come back when I'm good and old
I got drinks to drink, someone to hold
I got good things to do with my life, yeah
Oh, I wanna dance in the open breeze
Feel the wind in my hair, hear the ocean sing
I got good things to feel in my life, yeah

(CHORUS)

Roar

I used to bite my tongue and hold my breath
Scared to rock the boat and make a mess
So I sat quietly, agreed politely
I guess that I forgot I had a choice
I let you push me past the breaking point
I stood for nothing, so I fell for everything

[Pre-Chorus]

You held me down, but I got up (hey)
Already brushing off the dust
You hear my voice, you hear that sound
Like thunder, gonna shake the ground
You held me down, but I got up
Get ready cause I had enough
I see it all, I see it now

CHORUS:

I got the eye of the tiger, a fighter
Dancing through the fire
Cause I am a champion, and you're gonna hear me
roar
Louder, louder than a lion
Cause I am a champion, and you're gonna hear me
roar
You're gonna hear me roar

Now I'm floating like a butterfly
Stinging like a bee I earned my stripes
I went from zero, to my own hero

(Pre-Chorus, CHORUS)

[Bridge]

Roar, roar, roar, roar, roar...

(CHORUS X2)

Say it Ain't So

Oh yeah
Alright
Somebody's Heine'
Is crowding my icebox
Somebody's cold one
Is giving me chills
Guess I'll just close my eyes

Oh yeah, alright
Feels good, inside
Flip on the telly
Wrestle with Jimmy
Something is bubbling
Behind my back
The bottle is ready to blow

CHORUS:

Say it ain't so
Your drug is a heartbreaker
Say it ain't so
My love is a life taker

I can't confront you
I never could do that which might hurt you
So try and be cool
When I say
"This way is a water slide away from me
That takes you further every day"
So be cool

(CHORUS)

[Bridge]

Dear Daddy, I write you
In spite of years of silence
You've cleaned up, found Jesus
Things are good, or so I hear
This bottle of Stephen's
Awakens ancient feelings
Like father, stepfather
The son is drowning in the flood
Yeah, yeah-yeah, yeah-yeah

(CHORUS)

Sweet Caroline

Where it began
I can't begin to knowin'
But then I know it's growing strong
Was in the spring
Then spring became the summer
Who'd have believed you'd come along

Hands, touching hands
Reaching out, touching me, touching you
Sweet Caroline
Good times never seemed so good
I'd be inclined
To believe they never would
But now I

Look at the night
and it don't seem so lonely
We filled it up with only two

And when I hurt
Hurting runs off my shoulders
How can I hurt when I'm holding you
Warm, touching warm
Reaching out, touching me, touching you

Sweet Caroline
Good times never seemed so good
I'd be inclined
To believe they never would

Oh no, no
Sweet Caroline
Good times never seemed so good

Sweet Caroline
I believe they never could
Sweet Caroline

The Weight

I pulled into Nazareth, was feeling 'bout half past
dead

I just need some place where I can lay my head

Hey, mister, can you tell me, where a man might
find a bed?

He just grinned and shook my hand, "No" was all
he said.

CHORUS:

Take a load off Fanny, take a load for free

Take a load off Fanny, and you put the load
right on me

I picked up my bags, I went looking for a place to
hide

When I saw old Carmen and the Devil, walking
side by side

I said, "Hey, Carmen, c'mon, let's go downtown"

She said, "I gotta go, but my friend can stick
around"

(Chorus)

Go down, Miss Moses, ain't nothin' you can say

It's just old Luke, and Luke's waiting on the
judgment day

Well, Luke, my friend, what about young Annalee

He said, "Do me a favor, son, won't you stay and
keep Annalee company"

(Chorus)

Crazy Chester followed me, and he caught me in
the fog

Said, "I will fix your rag, if you'll take Jack, my
dog"

I said, "Wait a minute Chester, you know, I'm a
peaceful man"

He said, "That's okay, boy, won't you feed him
when you can"

(Chorus)

Catch the cannonball, now to take me down the
line

My bag is sinking low, and I do believe it's time

To get back to Miss Fanny, you know she's the
only one

Who sent me here, with her regards for everyone

(Chorus)

Total Eclipse Of The Heart

(Turn around)

Every now and then
I get a little bit lonely
And you're never coming round

(Turn around)

Every now and then
I get a little bit tired
Of listening to the sound of my tears

(Turn around)

Every now and then
I get a little bit nervous
That the best of all the years have gone by

(Turn around)

Every now and then I get a little bit terrified
And then I see the look in your eyes

(Turn around, bright eyes)

Every now and then I fall apart

(Turn around, bright eyes)

Every now and then
I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong

Together we can take it to the end of the line
Your love is like a shadow on me all of the time **(all of the time)**

I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks

I really need you tonight
Forever's gonna start tonight
(Forever's gonna start tonight)

Once upon a time I was falling in love
But now I'm only falling apart

....
There's nothing I can do
A total eclipse of the heart

Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

[Instrumental interlude]

(Turn around, bright eyes)

Every now and then
I fall apart

(Turn around, bright eyes)

Every now and then
I fall apart

And I need you now tonight (and I need you)
And I need you more than ever

And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong

Together we can take it to the end of the line
Your love is like a shadow on me all of the time **(all of
the time)**

I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks

...

I really need you tonight
Forever's gonna start tonight
(Forever's gonna start tonight)

Once upon a time I was falling in love
But now I'm only falling apart

....

There's nothing I can say
A total eclipse of the heart
Total eclipse of the heart
Total eclipse of the heart

Turn around bright eyes...

True Colors

You with the sad eyes
Don't be discouraged
Oh I realize
It's hard to take courage
In a world full of people
You can lose sight of it all
And the darkness inside you
Can make you feel so small

But I see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow

Show me a smile then
Don't be unhappy, can't remember
When I last saw you laughing
If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there

And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow

If this world makes you crazy
And you've taken all you can bear
You call me up
Because you know I'll be there
And I'll see your true colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors
True colors
Shining through
I see your true colors
And that's why I love you
So don't be afraid to let them show
Your true colors
True colors are beautiful
Like a rainbow

Video Killed the Radio Star

I heard you on the wireless back in '52
Lying awake intent on tuning in on you
If I was young it didn't stop you coming
through
Oh-a oh
They took the credit for your second
symphony
Rewritten by machine on new technology
And now I understand the problems you can
see
Oh-a oh,
I met your children
Oh-a oh
What did you tell them?

Video killed the radio star
Video killed the radio star
Pictures came and broke your heart
Oh, a-oh, oh-oh

And now we meet in an abandoned studio
We hear the playback and it seems so long
ago
And you remember the jingles used to go
Oh-a oh
You were the first one
Oh-a oh
You were the last one

Video killed the radio star
Video killed the radio star
In my mind and in my car, we can't rewind
we've gone too far
Oh, a-oh, oh-oh
Oh, a-oh, oh-oh

(instrumental)

Video killed the radio star
Video killed the radio star
In my mind and in my car, we can't rewind
we've gone too far
Pictures came and broke your heart
Put down the blame on VTR
You are the radio star
You are the radio star
Video killed the radio star (Repeat...)

We Are the Champions

I've paid my dues
Time after time
I've done my sentence
But committed no crime
And bad mistakes
I've made a few
I've had my share of sand kicked in my face
But I've come through

CHORUS:

We are the champions, my friends
And we'll keep on fighting 'til the end
We are the champions
We are the champions
No time for losers
'Cause we are the champions of the world

I've taken my bows
And my curtain calls
You brought me fame and fortune and
everything that goes with it
I thank you all
But it's been no bed of roses
No pleasure cruise
I consider it a challenge before the whole
human race
And I ain't gonna lose

CHORUS (x2)

What's Up?

Twenty-five years and my life is still
Trying to get up that great big hill of hope
For a destination
I realized quickly when I knew I should
That the world was made up of this
brotherhood of man
For whatever that means

And so I cry sometimes
When I'm lying in bed just to get it all out
What's in my head
And I, I am feeling a little peculiar
And so I wake in the morning
And I step outside
And I take a deep breath and I get real high
And I scream from the top of my lungs
What's going on?

And I say, hey yeah yeah, hey yeah yeah
I said hey, what's going on?
And I say, hey yeah yeah, hey yeah yeah
I said hey, what's going on?
Ooh, ooh ooh
Ooh, ooh ooh

And I try, oh my god do I try
I try all the time, in this institution
And I pray, oh my god do I pray
I pray every single day
For a revolution

And so I cry sometimes
When I'm lying bed
Just to get it all out
What's in my head
And I, I am feeling a little peculiar
And so I wake in the morning
And I step outside
And I take a deep breath and I get real high
And I scream from the top of my lungs
What's going on?

And I say, hey hey hey hey
I said hey, what's going on?
And I say, hey hey hey hey

*(Up in the morning and I step outside,
take a deep breath, get real high,
scream from the top of my lungs,
what's going on? - repeat)*

I said hey, what's going on?
And I say, hey hey hey hey
I said hey, what's going on?
And I say, hey hey hey hey
I said hey, what's going on?
Oh, oh oh oh

Twenty-five years and my life is still
Trying to get up that great big hill of hope
For a destination

Wrecking Ball

We clawed, we chained, our hearts in vain
We jumped, never asking why
We kissed, I fell under your spell
A love no one could deny

Don't you ever say I just walked away
I will always want you
I can't live a lie, running for my life
I will always want you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was break me
Yeah, you wreck me

I put you high up in the sky
And now, you're not coming down
It slowly turned, you let me burn
And now, we're ashes on the ground

Don't you ever say I just walked away
I will always want you
I can't live a lie, running for my life
I will always want you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was break me

I came in like a wrecking ball
Yeah, I just closed my eyes and swung
Left me crouching in a blaze and fall
All you ever did was break me
Yeah, you wreck me

I never meant to start a war
I just wanted you to let me in
And instead of using force
I guess I should've let you in
I never meant to start a war
I just wanted you to let me in
I guess I should've let you in

Don't you ever say I just walked away
I will always want you

I came in like a wrecking ball
I never hit so hard in love
All I wanted was to break your walls
All you ever did was break me
I came in like a wrecking ball
Yeah, I just closed my eyes and swung
Left me crouching in a blaze and fall
All you ever did was break me
Yeah, you, you wreck me
Yeah, you, you wreck me
